

# JASPER COURIER.

The turkey that's at present living  
And strutting round as proud and gay,  
Will soon be slaughtered for Thanksgiving  
And stuffed with sage, and cetera.

There will be an Oyster Supper at the C. P. church, in Ireland, on Thanksgiving night, for the benefit of the church. A cordial invitation to everybody.

Mrs. Jones hasn't a gray hair in her head and is over 50. She looks as young as her daughter. The secret of it is, that she uses only Hall's Hair Restorer.

Lost.—In Jasper a pillow-case, with a bird in the center, worked with red braid, and trimmed around with red and white lace. The finder will please leave it at the county clerk's office and receive reward.

When, from any cause, the digestive and secretory organs become disordered, they may be stimulated to healthy action by the use of Ayer's Cathartic Pills. These Pills are prescribed by the best physicians, and are for sale at all the drug stores.

The use of Ayer's Sarsaparilla purifies the blood, stimulates the secretions, and imparts new life and vigor to every function of the body. For nearly a half a century, it has remained unrivaled as the best blood medicine ever discovered. Be convinced by a trial.

Mat. Altmeir, husband of Margaret Bonert, formerly of Jasper, attempted to board a moving freight train at Montgomery, missing his hold, his foot slipped and he fell under the wheels, cutting off part of one foot. Drs. Bigam and Anderson amputated it and he is now getting along alright.

The house going up on 7th street, between Clay and Seymour, belongs to Recorder Haskins. Mr. Herman Krodell has the contract, and is pushing it right along, and will make a neat job of it. He says he expects to build another yet this Fall, after completing it.

The communication of "K. C. M." is respectfully declined. We thought everybody knew that the columns of the Courier are not open to personal attacks of no public interest. While some such things will slip in sometimes unawares, we always eliminate them from all communications if we know it.

The Louisville & St. Louis Air Line, beginning on June 16th, will sell tickets every Sunday during the summer at one fare for the round trip from all stations on Evansville, Rockport and Cannelton Divisions, and on Main Line from Huntington East to and including Louisville. These tickets will be good going and returning only on day of sale, and must be purchased from agents, as there will be no reduction for fare paid on rail.

"Roxon is."—We acknowledge to being deceived by a wily agent of a brace of goods doing business in Indianapolis. He is the same of Frank H. Alna. He again has 22 Talbot block and the Mac A. B. and Webster's Dictionaries, and gave them some advertising, and they failed to comply with contract, or even to reply to repeated letters sent them. The public should give them a wide berth, and publishers should treat them as rascals who would steal from them if they had the chance to do so without punishment.

## Their Business Booming.

Probably no one thing has caused such a general revival of trade at Martin Friedman's Drug Store, as their giving away to their customers of so many free trial bottles of Dr. King's New Discovery for Consumption. Their trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, Colds, Asthma, Bronchitis, Croup, and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size \$1. Every bottle warranted.

PERSONAL.—John L. Bretz Esq. went to Petersburg on Monday last to preside as special Judge, by appointment of Judge Welborn, in the Pike Circuit court, in several actions. The selection of Mr. Bretz is an eminently fitting one, by reason of his legal knowledge and conservative character, and he will add new laurels to his legal reputation.

Miss Rosa Fink started on Monday to visit Louisville and Cincinnati, in search of new novelties for the holidays. Mr. John Lorey, four tinner, who has been working for Mr. L. Spayd for over two years past, left this week for Louisville, Ky., where he will work at his trade. The Courier and his many friends in Jasper wish him well, and the Courier will make him regular weekly visits.

Mr. George Abel called on us Friday last and whiled away a few pleasant moments, and took advantage of our club arrangements to secure the State Sentinel. George is a clever gentleman, and we are always glad to have him call.

Mr. Henry Guckes of Louisville, was down this week visiting his mother, and returned Wednesday. His brother Andrew went with him, and they will open a family grocery on the corner of Jackson and Madison streets.

Mr. Henry Bosquet, of the popular firm of Bosquet & Silberg, Louisville, was shaking hands with numerous old friends in Jasper Friday last.

Mr. Andrew Eckert, of the City Mills, made a business trip to Louisville the last of last week. These mills sell large quantities of flour to the Falls cities.

Mr. John Schwartz, of Palmer, Texas, is on a visit to his friends here. He is in business for himself in Palmer, and says it is a good country around there.

Mr. Chas. H. McCasr, representing the Keller Printing Co., of Evansville, called on us Tuesday. The Keller Company do some very fine work.

Joseph Smith, of Troy, is visiting his uncle this week. Mr. Andrew Krump, on East 6th street.

County Clerk, Ignatz Eckert, returns this week from an extended hunt in Arkansas.

Articles of incorporation have been filed of the Evansville, Newburg and Rockport Railway Company. The incorporators are: Hon. Wm. Hollman, Mr. D. J. Mackey and others.

## Christmas Entertainment.

There will be a Christmas entertainment held at Lemmon church, Boone Tp. on the evening of Dec. 24, 1889. Proceeds to be used for the benefit of the Sabbath school. The public are cordially invited. By order of the committee. H. S. GOSLIN, Pres. J. F. HARRIS, Secy.

A hale old man, Mr. Jas. Wilson of Allena Springs, Ill., who is over sixty years of age, says: "I have in my time tried a great many medicines, some of excellent quality; but never before did I find any that would so completely do it as that is claimed for it as Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is truly a wonderful medicine." For sale by J. P. Salb.

## Robbers Play Havoc in Lynville, Warrick County.

An Evansville Journal special from Booneville, Warrick county, says that burglars Tuesday night entered several stores in Lynville, that county, cracking one safe and securing considerable money and goods. In the safe was some \$500 in cash. Several hundred dollars more were taken. The village is up in arms, but thus far have not caught the robbers.

## Epoch.

The transition from long, lingering and painful sickness to robust health marks an Epoch in the life of the individual. Such a remarkable event is treasured in the memory and the memory whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health, to the use of the Great Alternative and Tonic. If you are troubled with any disease of Kidneys, Liver or Stomach, of long or short standing you will surely find relief by use of Electric Bitters. Sold at 50c. and \$1 per bottle at MARTIN FRIEDMAN'S Drugstore.

Parents should be careful that their children do not contract colds during the fall or early winter months. Such colds weaken the lungs and air passages, making the child much more likely to contract other colds during the winter. It is this succession of colds that causes catarrh and bronchitis or paves the way for consumption. Should a cold be contracted, lose no time, but cure it as quickly as possible. A fifty cent bottle of Chamberlain's Cough Remedy will cure any cold in a few days and leave the respiratory organs strong and healthy. For sale by J. P. Salb.

## Subscribe Now.

The long nights are approaching, during which every citizen and every family should inform themselves thoroughly as to the measures and men that will enter into the preliminary Presidential political contest next year. To enable every one in Dubois county to do so we have completed arrangements with the publishers of the Indiana State Sentinel to club that excellent State paper with the Jasper Courier for the extremely low price of two dollars for both publications for one year, and we hope to obtain many new subscribers in Dubois county.

## KEEPING UP HIS RECORD.

Hornaday En Route For Mexico With Another Man's Wife.

Indianapolis Sentinel. To the Editor—Sir: During the latter part of the summer a new inspector of timber depredations came here, named E. C. Hornaday. About five weeks ago he left for parts unknown, and his place is occupied by a new man. It is rumored that he sold some land, got a team, which he did not pay for, took another man's wife, and turned his face toward Mexico. He claimed to be from Indiana, and said he was much abused by the Sentinel. Some folks here would like to know what has become of him. He is a bad citizen, and is likely not going to come this way again. If he comes to Indiana, keep him. We do not want him.

PATRICK GRENNAN. Prescott, Ariz., Nov. 14.

## Haysville Hall.

Haysville is still on top. The weather has taken a dismal turn, damp, cold and cheerless.

Mr. A. R. Horton and wife visited relatives in Martin last Sunday.

Our new ferryboat is near completion, and Joe says, golly! he's a nice one.

Prohibition will be a success, in our town, that is, well, we mean—over the lot.

We think it is time for our band to begin to toot, for the holidays are drawing near.

Our energetic young blacksmith is working up a good business by doing work at rock-bottom prices. We need a few more such men to make our town boom.

Miss V. E. Conrad returned to Louisville this week to spend the long winter months, where she will be safe from the pen of the Dude.

Mr. Will Freyberger has purchased the corner saloon for the purpose of starting up in the same business. Come Will, own up, and you going to take "hor in."

What's the matter with Alex? have the W. C.'s given him warning to make fewer visits across the line? if they have that's real sad. Pahaw! Alex, don't be scared by them.

Read Hope says he will be all right when the new boat is ready to sail, for then he will go to see her without fail, ah! there!

Seitz and Co., of the Buck Shoals mine, report a boom in the form of gold in paying quantities. We wish them success for they are undoubtedly a deserving company.

Moxie didn't get left last Sunday, as reported, some time ago. So far well, Mr. Dude, until I come again.

MOXIE.

Ed. Eray feels good. His wife presented him with a fine 12 pound boy on Tuesday.

Change is one of the irresistible laws of nature, and fortunately the change is almost invariably for the better. As an instance of this, St. Patrick's Pills are fast taking the place of the old harsh and violent cathartics, because they are milder and produce a pleasanter effect, besides they are much more beneficial in removing morbid matter from the system and preventing ague and other malarious diseases. As a cathartic and liver pill they are almost perfect. For sale by J. P. Salb.

## Ottwell Oridammes.

Plenty of rain. Mud in abundance.

Joe Dillon has moved to town.

John Braden has come home again, to remain a few days.

Jack Bowers has started a dandy barber shop in town—involves all wanting work done in his line to call.

Current Dillon is selling lots of boots, and quite a lot of moccasins of all kinds.

Tom Sullivan has sold his property to R. M. Craig. He contemplates moving to Washington.

Jacob Boners is finishing up his barn; has also a new house on its pegs. Hurrah for Jake!

Mr. McGrilla Gray is having a coal mine opened, 14 miles north of town, which will be a great benefit to Ottwell and vicinity, provided he finds plenty of coal. Let'er come.

The people of Ottwell want to have some kind of entertainment on Christmas. Don't know what they will have. TOM.

## Portersville Pointers.

Rain, rain, rain.

And it don't suit the farmers very well, as they would like to be gathering their corn out of the bottoms.

Some of the boys are also complaining, because the river bank is so muddy. They will have to give it up, or secure some rubber boots.

Thanksgiving almost here; no invitation as yet. Now who will be the first to give us an invitation to take a wing with him? Don't all speak at once, or we may get excited.

We learn that a number of our Portersville folks are intending to spend Thanksgiving in the country. May they have a jolly time, and let us all remember God's merciful providence toward us during the past year, and not forget to administer to the sick and needy.

Health is very good in this vicinity with exception of one or two cases. Aunt Sarah Graham we learn has been very low, but glad to say she is improving.

Our S. S. is progressing finely, good attendance; good behavior; good music, both vocal and instrumental. Miss Mattie Milburn is organist.

Rev. Gill, our former Pastor, will hold services at the Portersville church on Nov. 23d, at 3 P. M. The public are invited.

There is talk of another bean supper soon. Whoop up, boys, we will help you all we can, as every body enjoyed themselves before and a good crowd was out. We will attend with good cheer. Come one, come all.

Mr. John Giesler, Prop., of the southern saloon, has just returned from Louisville, where he made a flying trip on business, we think he went to secure Christmas goods. That's what we need, and John's the fellow.

Mr. John G. Leming and Christ Senning made a flying trip to Huntington on business Monday.

We have been expecting some wedding soon, but seems like they keep putting it off. Probably they will come off about Christmas. Now guess who.

Mr. Volney Cox has completed his new residence, which he will occupy in a few days. Mrs. Cox and daughter will move in the property he leaves vacant, and Mr. Lou Hamilton will move where Mrs. Cox lived.

We see Mr. Harris, one of our leading merchants, has raised a handsome building, but has failed to complete it. What's the matter, Mack? don't give it up.

Mr. John Rice, our leading blacksmith, is repairing his residence with a new roof, like-wise his shop, and adding an addition, which looks up at a distance. That's right, John, "whoop em up."

Our new post master, Hays, does splendidly; is always on hand.

Early and late.

Always ready to accommodate.

Town has been lively for a few days; what is the matter, boys? Too much j-u-i-c-e!

## Resolutions Of Respect.

Adopted by the F. M. A. B.—Lemmon Lodge No. 1403.

Whereas, It has pleased God, the Supreme Ruler of heaven and earth, to send his death messenger, who laid his icy hand upon one of our Bros., Basil H. Foster, and removed him from labor and from our midst to his eternal rest; therefore be it

Resolved, That our Lodge has lost a faithful member and Bro.; the Father and Mother a loving son.

Resolved, That while he has gone the way of all the earth his kind acts and unswerving integrity and industrious habits still live. Though he was but a humble laborer, not possessing much of this world's goods, he had a heart of sympathy, and pure motives that won for him many friends in the vicinity where he resided.

Resolved, That we deeply sympathize with the family in this sad bereavement, and assure them of our earnest prayer for the abiding presence of the Divine Comforter.

Resolved, That we meekly bow in holy submission to this bereavement, believing that the Lord of all the earth will do right.

Resolved, That a copy of this be sent the Jasper Courier and Huntington Argus for publication, and that this be spread upon the minutes of the Recording Secretary of our Lodge.

J. F. GRAY, J. F. HARRIS, Committee.

## Union Valley Viewings.

More rain and more mud in the Valley.

Brother Salmon preached for us last Friday night.

Our Sunday school is in fine progress with Brother Bowman as our superintendent.

There was quite a revival at the Weaver Seminary last week. The good master (school master) showered down a blessing on one or two, for which the good people are very thankful. Let us give Cox the glory, and pray that the good work may continue.

Wm. Nicholson, who has been sick for sometime, is improving some.

J. W. Simmons and his wife dissolved partnership last week.

Our people are all glad to see Anzly Sutton here again.

Nicholson and Clements are going to run their saw mill next week.

Our school was in fine progress until the measles broke out in the neighborhood, and caused about half of the pupils to stop. But our teacher don't seem to be discouraged for he says when the teachers with thirty-six months' license can't teach pupils any longer they just send them to him.

Our teacher says he is not feminine, but he does love the fair sex just as much as any one.

In answer to the correspondent of the Argus we would say that Charley is teaching at number six, and the patrons as he goes home as a rule by the old saying, "one can go home when he can't go any where else."

Where was the "Dude" last week? did Sanford's best girl scare him out?

The Colonel would like to know at what time Verner begins school on Monday, when he goes Sunday night to see the hired girl.

We will close by asking what has become of "Zippy Coo?"

COLONEL.
